- **CBC** has been the premier basketball club in the Central Michigan area for the past eighteen years.
- Every practice includes an hour long skill session, followed by the team session.
- Practices will be held once a week at Morey Courts Recreation Center in Mount Pleasant.
- \$180 for session; fees cover tournament entry, practices, equipment and insurance.
- Additional cost for players who need uniforms.
- **Philosophy:** CBC travel teams have skill based programs under the direction of Championship Sports. Our goal is to improve the individual and team skills of every CBC player.
